Gedore Quickset 80 FH Torque Screwdrivers

Ouickset Adjustable Torgue Screwdrivers achieve accurate torque application by eliminating both under and over tightening using Gedore TorqueÃ⁻ÂċÂ¹/₂s proven slipping technology. This enables any user to deliver the correct torque with confidence regardless of task and operator skill levelFast and accurate to set, using the quick and clear to read micrometer setting scale. A visible scale allows the user to adjust the tool to their desired torque setting, enabling a range of different torque settings to be appliedEach single Adjustable Torque Screwdriver can cover a broad variety of applications due to their wide torque rangeLong service life is provided through the durable design utilising hard wearing materials such as stainless steel and aluminumIncreased operator comfort and productivity, from the smooth reset action of the tool and the ergonomic designRange: 30-80 lbf.in

Specifications	Details
Product Number	016800
Calibration Range	1 lbf.in
Brand	Gedore
Range Imperial	30-80 lbf.in
Model Number	Quickset 80 FH
Drive Size	1/4"
Weight	335g
