

Mitutoyo 500-196-20 ABSOLUTE Digimatic Caliper 0-150mm / 0-6"

The Mitutoyo 500-196-20 has now been discontinued and replaced by the 500-196-30. If the 500-196-20 is purchased a 500-196-30 will be supplied. A Mitutoyo digital caliper equipped with standard outside and inside jaws. Hardened stainless steel construction and equipped with ABSOLUTE System scale for error free, high-speed measurement. SPC data output.

For comparison measurements, the ZERO/ABS button allows the display to be Zero-Set at any slider position along the scale. This button also allows you to revert to absolute mode (ABS) and see the true position from the origin (usually jaws closed point).

- Comfortable operation thanks to a large and clear LCD readout and smooth slider movement.
- Measures outside and inner measurements, depth, and steps; has a battery life of 20,000 hours.
